

# HAST-C WORKSHOP 6

Mr. Richard Stember, HAB4 Flight Director

Mr. Robert MacHale, Science Communications  
Specialist (SCICOM)

# START EXPERIMENT BUILD

Assemble parts

Write Arduino program

Testing:

Does it produce the intended data?

List things that could fail (loose connections, parts moving out of place, ...) and how you plan to mitigate.

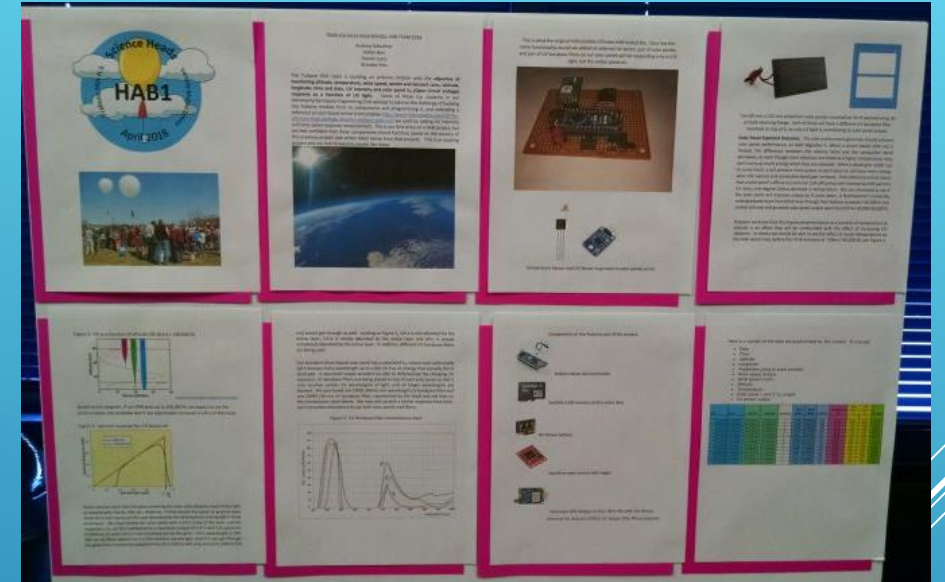

# MAKE PRESENTATION BOARD

Graphics and Text that describes the experiment to launch guests

Graphics that explain question you posed

Charts and tables that show data you expect to collect

Text that describes importance of your experiment

# KEY DATES

- Send Questions to [richard@scienceheads.org](mailto:richard@scienceheads.org)
  - Launch – November 9<sup>th</sup> – 10 am – City of Lake Forest Sports Park
- 
- A decorative graphic consisting of several parallel white lines of varying lengths, slanted diagonally from the bottom right towards the top right, located in the lower right quadrant of the slide.
